Mr. Kenneth Keriom
40 Brechett St.,
Westbrook, Maine

Dear Mr. Keriom,

Your letter, addressed to me c/o Dell, has been forwarded.

That, if anything, I can do to help you I do not know because you have told told me how you would like help or about what. I can gather from the clippings what this might be, but that is all.

If there is anything confidential in what you might tell me, please so label it so I will know and can make no mistake.

My present work schedule makes it unlikely that I can leave at any time in the immediate future. Therefore, we will have to communicate by mail. If you have any apprehension about the mail, used registered mail, which requires both a seal on the envelope and constant look and key security.

Sincerely yours,

Harold Nelsberg
